

HOW DO I ACCESS ERT LEARN?

eLearning

Based on the equipment used for the study, ERT provides Patient Preparation and Equipment Usage courses online via ERT Learn. Site personnel with access to the Internet and an email address can complete all courses online. Upon completion of the courses and receiving a passing grade of 80% or higher, course completion certificates can be printed directly from ERT Learn. Below are details on how to access ERT Learn.

If you have any questions, or you experience problems with the web based training courses you can contact ERT's <u>Customer Care</u> department.

Accessing ERT Learn

1. To access ERT Learn, begin by logging in to your ERT Global Account, select the appropriate study from the **Select Study** drop down.

Note: If you are participating in a study with multiple ERT devices, ensure you select the appropriate study.

2. Click the ERT Apps icon in the upper

right corner of the dashboard and click **ERT Learn** to access the curriculum for your study.

3. Click Launch to begin your course.
